Serving the Material Handling Industry Since 1977
As a pioneer in offering training and services for the material handling industry, Crane Tech was founded to make a difference in the lives of those we serve—so that the job can be completed effectively and personnel are able to return safely to their families—a mission that we are still dedicated to today.

Crane Tech is proud to offer On-Site Training at your location or Scheduled Training at one of our convenient sites across the U.S. or the Crane Tech Training Center.

- ASME B30.26 - Rigging Hardware #3783 ....................... $68.00
- ANSI/SIA A92.3 - Manually Propelled Elevating Aerial Platforms #3894 ... $56.25
- ANSI/SIA A92.5 - Boom Supported Elevating Work Platforms #3895 .... $56.25
- ANSI/SIA A92.6 - Self-Propelled Elevating Work Platforms #3896 .......... $56.25

Other Standards are available. Please call for more information.

IPT's Crane and Rigging #3764 ............................................................. $50.00

IPT's Crane and Rigging Handbook and Training Manual are essential resources for anyone who moves heavy loads. Referred to by many as the best crane and rigging book in North America, this indispensable publication expertly explains the rigging process for classroom instruction or workplace reference. Sections include pre-lift planning, materials handling, aerial platforms and barge, ship and offshore cranes.

AEM Mobile Crane Safety Manual #4113 .............................. $10.00

Bob's Overhead Crane & Rigging Handbook
A well documented guide covering overhead cranes, detailed inspection procedures, daily checklist, operating practices, weight tables, sling angle and tensions, rigging hardware and hitches.
- Pocket Size (4½” x 6”) #3773 .................................................... $16.00
- Desk Size (8½” x 11”) #3774 ..................................................... $29.00

Bob's Rigging & Crane Handbook
This book contains over 270 pages of information on wire rope, rigging equipment, applications & calculations, and mobile crane operational procedures and checklists.
- Pocket Size (4½” x 6”) #3351 ................................................ $18.00
- Desk Size (8½” x 11”) #3511 ................................................ $34.00
Available in English & Spanish.

Rigging Manual #3779 .............................................................. $64.95
Used internationally as an official course text in training and upgrading programs, this book is an essential reference in preventing costly and often deadly rigging accidents.

OTHER REFERENCES

Pocket Reference by Thomas J. Glover #3775 ....................... $15.95
This great little book is a concise all-purpose reference featuring hundreds of tables, maps, formulas, constants and conversions AND it still fits in your shirt pocket! Goes where you go!

Wire Rope User Manual #3367 ............................................... $60.00
Fourth Edition. Published by the Wire Rope Technical Board, this 160 page manual is a comprehensive and convenient source of reference data for wire rope.
Wire Rope & Rigging Kit #3717 ..................................... $475.00
If you are a crane and/or rigging trainer then you will want this valuable kit. Crane Tech selected each component so you can easily demonstrate different wire rope constructions, chain types (approved for lifting and those that are not). Kit comes with a color photograph list of all components for easy identification.

Sheave Gauges
- Metal, Group 1 #4752 .................................................. $26.00
  11 Leaves - Measures ¼” to 1⅛” Sheaves
- Metal, Special Group 1 #3564 ..................................... $28.00
  14 Leaves - Measures ¼” to 1½” Sheaves
- Metal, Group 2 #3510 .................................................. $30.00
  11 Leaves - Measures 1¼” to 2½” Sheaves
- Plastic, Group 3 #3520 ............................................... $9.50
  8 Leaves - Measures ¼” to 1¼” Sheaves
  with cut out notch to check rope size

Pocket Magnifier #3879 ................................................. $1.50
This handy magnifier is flexible and about the size of a credit card. Comes in a protective pouch and easily fits into any wallet. You won’t get caught not being able to read small print or checking small defects.

Calculator/Pocket Jotter #3789 ..................................... $4.95
Leather bound 4”x 6” pocket jotter great for keeping notes and jotting down inspection data. Eight-digit solar powered calculator includes percent and square root functions.

Replacement Pads #3877 .... $5.00
Quantity of 5 pads for your jotting fun.

Inspector's Tool Kit #1071 ............................................. $118.50
Nylon belt pack contains tools and reference cards specially selected for the crane inspector. Each product in the kit is hand-picked to assist the crane inspector and includes:
- 3” Stainless Steel Calipers with Sheath
- 6” Stainless Steel Rule/Depth Gauge
- Magnetic Extendable Inspection Probe
- Sheave Gauges (¼” - 1 ½”)
- Pocket Magnifier Card
- Crane Tech Work Gloves
- Calculator/Pocket Jotter
- Inspector's Reference Card (Mobile & Overhead Crane)
- Small Screwdriver

Belt Pack #3507 ........................................................... $11.95
Nylon pack is great for carrying small inspection tools and keeps your hands free when using ladders for access. Same belt pack as packaged with the Inspector's Tool Kit above.

Stainless Steel Caliper with Sheath #3756 ........ $10.95
3”/90mm Instrument. The dual scale has ranges of 0 - 3” and 0 - 90mm. Includes black vinyl sheath for safekeeping.

Fork Wear Calipers #3508 ............................................. $35.95
For inspectors checking the wear of fork lift forks this tool is invaluable. Allows inspectors to verify fork wear in accordance with ASME requirements.

Wind Meter #3526 ......................................................... $37.50
Measures wind speed up to 60-MPH. Critical for aerial lift operators and anyone concerned about how the wind may affect personnel lifting or load control. Includes a convenient storage case.

Center of Gravity Magnet (pack of 10) #4101 .......... $30.00
4” heavy duty, weather-resistant magnet to mark the center of gravity on anything metal. Helps to create a focal point for rigging activities.
Crane Tech T-Shirt
Sizes S to 4XL #3887 ..................................................... $15.00
Comfortable and stylish T-Shirt featuring custom Crane Tech artwork. Available in Black or Safety Green.

Crane Tech Reflective Safety Polo
Sizes M to 2XL #4104 ..................................................... $46.95
This Tri-Mountian Ultra Cool™ shirt features moisture-wicking technology to keep you cool, dry, and comfortable. Features Crane Tech Logo in the back, "Safety through Education" on the sleeve, 2" reflective tape, left chest pocket, three-buttons, and side vents. Meets ANSI/ISEA 107-2010 Standards, Class 2/Level 2.

Crane Tech Hoodie Sweatshirt
Sizes S to 4XL #3926 ..................................................... $44.95
Warm and comfortable 80% cotton/20% polyester hooded sweatshirt with a front pouch pocket. Double-lined hood with drawstring.

Crane Tech Safety Vest
Sizes M to 2XL #4160 ..................................................... $17.00
Show your Crane Tech pride while staying safe and compliant on site. 100% polyester mesh with 5-point break-away hook & loop closure and two interior waist pockets. Meets ANSI/ISEA 107-2010 Standards, Class 2/Level 2.
**Crane Tech Hard Hat** #4161 .................................................. $19.95
Pyramex full-brim hard hat with 4-point suspension and the Crane Tech logo. The ratchet suspension makes it super easy to modify the fit, even while wearing it. Shell constructed from high-density polyethylene with a replaceable suspension. Meets ANSI Z89.1-2009 Standards, Type 1, Class C, G, and E.

**Crane Tech Patch** #4145 .................................................. $4.00
2.75" patch with heat seal backing, making it easy for you to apply to your favorite shirt, bag or hat!

**Coffee Mug** #3884 .......................................................... $6.00
The Crane Tech gold foil logo is laid on a black 11 oz. ceramic cup making this a prized collector’s item.

**Crane Tech Coasters—Set of 4** #3880 ............................. $7.00
Large buffed cowhide leather coaster with natural soft suede finish. Absorbs water to keep your desk clean and dry.

**Crane Tech Koozie** #3883 ............................................. $1.00
Foldable can/drink holder. Designed to keep your beverage COLD...and your hands WARM! Neoprene means easy removal of your beverage—no pliers needed!
